YOU'RE INVITED IF...

- Your audiologist/hospital clinic closed or has become inaccessible. (*Ours never did...even during the pandemic.*)
- You're looking to trade-in your hearing aids for the newest noise-reduction hearing aids.
- You've never had your hearing checked and are looking for an honest assessment of your hearing and the condition of your ear canals.
- You know someone who could use hearing help.
- You are tired of the inconvenience of waiting to get scheduled in.
- You are confused about "Free" or too-good-to-be true hearing services.
- You have been searching for a mature practitioner who has 30 years experience - not 30 chairs in his waiting room.
- You would like a practitioner convenient to your residence.
- You are homebound or in a facility.
- You would like NO-OUT-OF-POCKET hearing aids because you are on the EMPIRE PLAN.
- Don't check this one until you've called (518) 501-1231 to reserve... before all of the appointments are filled!**
